ACKNOWLEDGMENT OF COUNTRY

Diverse Learning acknowledges the Kaurna people as the Traditional Custodians of the Adelaide region, where we are located. We recognise the Kaurna peoples' cultural, spiritual, physical and emotional connection with their land. We honour and pay our respects to Kaurna elders, both past and present, and all generations of Kaurna people, now and into the future. We acknowledge the other Traditional Owners who live across South Australia and our nation wide.

REMEMBRANCE DAY

11th November

This is a solemn day in the countries that observe it. Every year, Canadians pause in a moment of silence to remember those who have served and continue to serve in war and conflict. In Australia, people pay their respects to the soldiers that have died in battle. The country of Barbados holds a parade at National Heroes' Square.

Other events in Britain and the British Commonwealth's members include wreath-laying ceremonies, moments of silence, multi-faith memorial services, and commemorative exhibitions. Many people also wear a poppy flower, which has become a symbol of remembrance.

Lest We Forget

It was on the eleventh hour of the eleventh day of the eleventh month in 1918 that an armistice agreement ended WWI. To commemorate this event, the British Commonwealth created Armistice Day. This day was celebrated on the Monday of the week in which November 11th fell. In 1931, a bill was passed to only observe Armistice Day on November 11th. Because of that same bill, the name of the observance was changed to Remembrance Day. The first Remembrance Day was held on November 11th, 1931.

Transgender Awareness Week

Week between November 13th and 19th

What is Transgender Awareness Week?

So, exactly what is Transgender Awareness Week? Each year, across the country, people and organisations participate in Transgender Awareness Week between November 13th and 19th. This event is closely followed by the Transgender Day of Remembrance on November 20th, which shows support for victims of transphobic violence.

How do we celebrate Transgender Awareness Week?

Throughout the week, we honor the strength and resilience of the transgender community. Many individuals and groups across the country will advocate transgender rights through education, highlighting inequalities, and sharing stories and experiences about discrimination in their own or other people's lives.

Pagent day **Saturday 8th November**

Since 1933, the National Pharmacies Christmas Pageant has grown to become one of Australia's most cherished events, celebrated every November with the support of National Pharmacies and the South Australian Tourism Commission's events arm, Events South Australia. As the Southern Hemisphere's largest public parade, it marks the official welcoming of Father Christmas to Australia, with the man in red greeted by well over 325,000 excited parade-goers in 2024 waving their favourite floats by from behind the 'Blue Honour Line'. In 2025, we will celebrate the National Pharmacies Christmas Pageant on Saturday 8th November.

The National Pharmacies Christmas Pageant is a magical, free community event, full of fantasy, floats, colourful characters, bands, dancers and more, shared by generations of Australians.

National Pharmacies is the title sponsor of the Christmas Pageant, and a proud South Australian organisation. Since opening its first dispensary in Adelaide in 1911, National Pharmacies has expanded to 51 pharmacies across South Australia, Victoria and New South Wales, and 20 Optical Stores in South Australia and is proud to partner with the event to continue captivating generations of Australian children.
